TRENDnet VortexIP Pro 64 Surveillance Software

VIP-P64

TRENDnet VortexIP Pro 64 is an advanced Server-based IP camera management software solution designed for small, medium and large enterprise applications and packed full of advanced security features.

TRENDnet VortexIP Pro 64 is capable of controlling up to 64 cameras. Install the complimentary Central Management System (CMS) software to connect multiple TRENDnet VortexIP Pro software suites and enable local and centralized monitoring. Control advanced video viewing and Pan, Tilt and Zoom (PTZ) camera functions. Program layered administrative access, detailed recording schedules, motion detection recording and event alerts. Compatible with TRENDnet, Axis, Panasonic, and other IP cameras.

FEATURES

- TRENDnet VortexIP works with multiple IP Camera brands*
- Windows XP and 2003 Server based IP Camera monitoring solution
- Remote and local Internet camera management from Internet Explorer Web browser
- Select the optimal software suite depending on need: control 64 Internet cameras
- Provides continuous recording, event recording and smart (motion detection) recording
- Smart recording saves disk space by reducing the recorded frame rate when no motion is detected
- Advanced video playback controls, with video search by specific image, camera, date and time, event or motion triggered movement
- Provides Electronic Map feature for simple camera location reference, searches and identification
- Manage multiple VortexIP Pro suites from one location with Central Management System (CMS) support
- Take snapshots and digitally zoom based on Internet camera capabilities
- Control camera pan, tilt and zoom from the software and with a joystick
- Allocate and predetermine storage location and file size
- Simple Web browser management interface: add/remove/view cameras, modify recording schedules, system and backup configuration and layered administrative management
- Easy multiple language navigation interface and event log support
- Test camera connections or view a specific camera at the touch of a button
- Low computer CPU loading
- 2-year limited USB key warranty
